

## NEW COUPLED ORDER HADAMARD OPERATORS AND SOME APPLICATIONS

MOHAMED BEZZIOU<sup>1</sup>, and ZOUBIR DAHMANI<sup>2\*</sup>

Communicated by M. Krnić

**ABSTRACT.** In this paper, we introduce new Hadamard type operators “with respect to another function”. Some properties of the introduced operators are proved and some applications are discussed. For our results, some recent results related to Hadamard operators are deduced as some special cases.
